

**ROBINS SKEET RANGE SAFETY RULES, POLICIES AND PROCEDURES**

All shooters must read, understand and comply with the following range safety rules, policies and procedures before shooting at the Robins Skeet Range.

1. Guns will be kept pointed in a direction that will not endanger by-standers
2. When not on a shooting station, shooters will ensure their gun is unloaded and the action open. Pumps and automatics will have the bolt open. Fixed breech (single and double barrels including over, under and side by side) will be broken open. Break action shotguns may be closed when placed in a stand, but must be opened immediately upon removal from a stand.
3. A shooter may not load a gun until he/she is on a shooting station and preparing to shoot. No more than two shells may be loaded and a gun must be unloaded before leaving a station.
4. Only one shell may be loaded on station 8 high house
5. Shoots may operation target release mechanisms, but not for themselves. An exception is the voice operated target release device, whereby a shoot without the assistance of a "puller".
6. Only shooters and range officials are allowed on the clay target ranges when shooting is in progress.
7. When a shooter is on the shooting station and ready to shot and a delay occurs, such as equipment breakdown or unauthorized person or animal on the field, the gun will be opened and the shells extracted.
8. Do not walk in front of the low house window or any trap machine while the release mechanism is in the hands of the puller.
9. Everyone must wear eye and ear protection while on the active range.
10. Shooters will police their own hulls. Hulls should be picked up after, not during, shooting on a 25 target round.
11. Shot size limitation:
  - a. 8 or 9 shot may be used on any range
  - b. 7 ½ shot may only be used on range number 1 (left range)
  - c. Shot larger than 7 ½ is prohibited (larger shot sizes may travel beyond range boundaries)
12. An individual must be 16 years of age to shoot unaccompanied.
13. Children between the ages of 7 and 15 must be accompanied by and under the direct supervision of a parent or guardian. Children under the age of 7 are not authorized to shoot.
14. The use of any drug, legal or illegal, including alcohol is prohibited with the exception of prescription medicine, which does not impair a shooters ability to perform safely. Consumption of alcohol is prohibited on the premises.
15. Transport of firearms on Robins Air Force Base (RAFB) must be in compliance with authorized procedures.
16. In all instances not covered by these rules, policies and procedures the decision of the Range Official is final.

**SAFETY IS EVERYONE'S RESPONSIBILITY!**

I have read, understand and agree to comply with the safety rules, policies and procedures listed above.
