*At this time, visiting more than one Park per day is temporarily unavailable due to attendance limitations. Depending on the date of your visit, the Park Hopper® Option may continue to be unavailable and you may only be able to visit one Park per day.

Park attendance will be managed through the Disney Park Pass system, which Guests will use to make Theme Park reservations. To enter a Walt Disney World® Theme Park, both a Park reservation AND valid admission for the same Park on the same date are required for each person in your party ages 3 and up. A Park reservation must be made for each day of entry. For multi-day tickets (including the Military Promotional Ticket), you will be required to make a Park reservation for each date of your visit. To make your theme Park reservations, you will need a My Disney Experience account and valid theme Park admission linked to it.

Please note that reservations are limited, subject to availability and are not guaranteed until a reservation is finalized. We highly recommend that you make your Park reservation as soon as you complete your ticket purchase, as availability can change until the reservation is finalized.
