

Revitalizing Squadrons

“...the beating heart of the Air Force”

The Unite Program empowers unit commanders to create new opportunities for recreational and cohesive activities to strengthen the bond between members within the unit.

All assigned Air Force and Space Force Active Duty, Reserve, Guard, and civilian (appropriated and non-appropriated) members are authorized Unite funds for CY23.

Squadron CC/CLs have the authority to allow spouses and dependents to participate in an approved UNITE event (units will not receive any additional funding for dependents and events cannot be held for dependents only)
