Workshop	Description
****Registration required by contacting the M&FRC****	
3—Day TAP Workshop	This workshop is designed to help military service members transition from active duty to civilian life. It provides a variety of workshops to help service members successfully navigate their transition. The first three days of the workshops are mandatory for everyone.** Day 1 : Managing Your Transition, MOC Crosswalk, Finances for Transition Day 2: VA Benefits and Services Day 3: DoL Employment Fundamentals and Career Track (EFCT)
Boots to Business	This course is designed for individuals interested in exploring business ownership or other self-employment opportunities. Participants will learn how to evaluate business concepts, develop a business plan and access resources for start up support, contracting opportunities, and more. **
Bundles for Babies	Get tips from the experts on: Labor, delivery, and caring for your newborn. Financial awareness of the cost for raising a child. Stress management for new parents. Active Duty AF/Space Force participants receive $150 from AFAS and much, much more. This course satisfies the MyVector requirement for mandatory Birth of First Child training.**
Elevate	During our 12-hour program, you and your partner will engage in fun activities with other couples and learn skills you can use to: - Better manage stress - Strengthen your connection with each other - Deal with differences in healthy ways - "Elevate" the quality of your relationships - $160 Incentive for Air Force and Space Force active-duty members who complete the classes
First Duty Station for Officers	This class is mandatory for all First Duty Station Officers and is only offered in-person. **
Investing 101: Investing vs Saving	This workshop introduces learners to saving and investing terminology, types of saving and investing accounts in terms of risk, liquidity, rate of return, and types of retirement accounts in terms of contribution limits, taxes, and withdrawals.
Investing 102: Wealth Building	This workshop will build upon the discussion we started in Investing 101. We will discuss more on types of investments and utilizing them in your financial portfolio.
Key Leader Orientation	Orientation Course developed for all commanders, chiefs, First Sergeants, and civilian equivalents newly assigned to Robins AFB or recently promoted to a leadership position at Robins AFB. **
Launch Your Future: Exploring Federal Internships, Scholarships, and STEM Careers	Exploring federal hiring opportunities for students and recent graduates.**
Moving Out the Dorms	This workshop is a mandatory requirement for service members moving out of the dorms and can be completed up to six months prior to moving**
Newcomer Orientation	Representatives from various base agencies will provide helpful briefings to assist military personnel and their families in adjusting to life at Robins AFB, GA. This event is designed to offer valuable information about military and community resources, helping you navigate both base life and the local culture.**
Operation STAR: Mock Behavioral Interview Practice	Practice real-time mock interviews using the STAR method.
Pre-Arrival Orientation (Via Microsoft Teams)	This live virtual workshop is primarily geared towards pre-arrival information related to your local installation and the surrounding community. With an added bonus – you get to interact with your new community SMEs prior to your arrival.**
Pre-Separation Counseling	As the second step in the transition process, Pre-Separation Counseling provides a high-level overview of available benefits, services, and resources that service members and their families may be authorized. This should be completed 14-24 months prior to the official DOS/DOR.**
Senior Transition Workshop	This workshop is designed for those in leadership roles (E-7– O-6) to help military service members transition from active duty to civilian life. It provides a variety of workshops to help service members successfully navigate their transition. The first three days of the workshops are mandatory for everyone.** Day 1 : Managing Your Transition, MOC Crosswalk, Finances for Transition Day 2: VA Benefits and Services Day 3: DoL Employment Fundamentals and Career Track (EFCT)
Ten Steps to a Federal Job	This workshop will covers some federal hiring principles, special authorities (e.g., veterans' preference, military spouse hiring), resume writing (5-page outline format, CCAR format), keyword use, plain language principles, application tracking, interview prep, and salary negotiation.
The Federal Resume, Application, and Hiring Process	Workshop designed to assist Participants will learn about the new Merit Hiring Plan, federal resume format, navigating USA Jobs website, and the federal hiring process. **
Your Resume, Your Future	Workshop designed to assist with basic resume writing skills.**
