| Workshop | Description |
|---|---|
| ****Registration required by contacting the M&FRC**** | |
| **3—Day TAP Workshop** | This workshop is designed to help military service members transition from active duty to civilian life. It provides a variety of workshops to help service members successfully navigate their transition.<br>The first three days of the workshops are mandatory for everyone.**<br>Day 1 : Managing Your Transition, MOC Crosswalk, Finances for Transition<br>Day 2: VA Benefits and Services<br>Day 3: DoL Employment Fundamentals and Career Track (EFCT) |
| **Boots to Business** | This course is designed for individuals interested in exploring business ownership or other self-employment opportunities. Participants will learn how to evaluate business concepts, develop a business plan and access resources for start up support, contracting opportunities, and more. ** |
| **DOL Career & Credential Exploration Track (C2E)** | This workshop focuses on identifying key skills, increasing awareness of training and credentialing programs, and helping participants develop a strategic action plan to achieve their career goals. |
| **Investing 101: Investing vs Saving** | This workshop introduces learners to saving and investing terminology, types of saving and investing accounts in terms of risk, liquidity, rate of return, and types of retirement accounts in terms of contribution limits, taxes, and withdrawals. |
| **Investing 102: Wealth Building** | This workshop will build upon the discussion we started in Investing 101. We will discuss more on types of investments and utilizing them in your financial portfolio. |
| **Moving Out of the Dorms** | This workshop is a mandatory requirement for service members moving out of the dorms. This class can be completed up to six months prior to moving** |
| **Newcomer Orientation** | Representatives from various base agencies will provide helpful briefings to assist military personnel and their families in adjusting to life at Robins AFB, GA. This event is designed to offer valuable information about military and community resources, helping you navigate both base life and the local culture.** |
| **Pre-Arrival Orientation (Via Microsoft Teams)** | This live virtual workshop is primarily geared towards pre-arrival information related to your local installation and the surrounding community. With an added bonus – you get to interact with your new community SMEs prior to your arrival.** |
| **Pre-Separation Counseling** | As the second step in the transition process, Pre-Separation Counseling provides a high-level overview of available benefits, services, and resources that service members and their families may be authorized. This should be completed 14-24 months prior to the official DOS/DOR.** |
| **Plan My Move** | This class is designed to assist members with a smooth transition to their gaining base by providing information from TMO on shipping household goods, Tricare for medical needs on the road, Exceptional Family Member Support services, Military Finance to understand entitlements, and school transition information, plus much more. |
| **Your Resume, Your Future** | Workshop designed to assist with basic resume writing skills.** |
